

The **WESTERN CAPE KAYAK ANGLING CLUB** Proudly Presents:

WAR on the SHORE

The long awaited 2019 War on the Shore came and crowned a few new Champions!

What made this year different to the previous competitions, was that we had to move our usual fishing grounds to a new region with unknown results for this time of year. This proved to be definitely worth the risk as the Saturday's weather conditions was described as one of the best days of the year so far, fish definitely moving into the bay and almost all anglers taking advantage of the facilities supplied by the Cape Boat and Ski Boat Club.

Almost all of the anglers took to the water on Saturday trying their tactics to become this years War on the Shore Winner and we can truly say that most of them succeeded in landing their fish. One thing was for certain, you had to have a plan and stick to your tactics.

Unfortunately, Sunday's weather was not conducive to fishing and therefore allowed us to start with the social a little earlier.
